### Beer 101 Beer Club

We're all about the beer . . .

## Welcome to OSB's first beer club—Beer 101

- We will accept only 101 members into our Beer 101 Club
- We will mail 12 bottles of our special beer to your home or office twice a year.\* You can request the case to be of all one flavor, choose two flavors, or we will create a mixed case for you.\*
- You will receive a 15% discount on your case of beer. You will also receive 15% off additional cases of beer and OSB merchandise you buy throughout the year.
- Beer 101 members will be invited to an annual OSB picnic.
- The price per shipment will average around \$85 for those in Washington State. If you live in Illinois, California, NY, Michigan, or Ohio, the shipping rate will be a bit higher. This price includes shipping, taxes, and your discount. We will keep your shipping and credit card information in safe keeping and will charge your card the day we ship your beer.
- You can cancel your membership at any time (but why would you want to???) . . .

We appreciate our friends and family who have helped us in our crazy venture to buy and operate a brewery. We're very proud of our beer and are excited to offer this beer club to you.

- Casey and Laura Ruud

### Ruud Awakening IPA

Expect your taste buds to be rudely awakened and temporarily disabled by the plethora of hops used in this IPA. The brutally bitter beginning is followed by a citrus aftertaste.  $\approx 7\%$  ABV

### Rendezvous Porter

A classic robust American porter with generous amounts of Northwest hops and a smooth, chocolately roasted finish.  $\approx 6.0\%$  ABV

### Blazing Amber

Blaze's own version of a strong amber—The caramel and biscuit malt aromas are balanced with Pacific Northwest hops. This amber has moderate bitterness and a smooth hop aroma.  $\approx 6\%$  ABV

### Hooligan Stout

A creamy, dark, full-bodied oat stout with a robust roasted malt flavor and a smooth finish.  $\approx 7\%$  ABV

### Double D Blonde

Engineered for the domestic beer drinker, this blonde ale has a mild bitterness and soft floral aroma.  $\approx 4\%$  ABV

### Uncle Big's Brown

A medium to dark brown ale with hints of chocolate and caramel, slight biscuit malt flavors, mildly hopped, & very smooth.  $\approx 5\%$  ABV

### Epiphany Pale

A medium-bodied pale ale with moderate bitterness, slight caramel malt flavor, and modest citrusy hop aroma. This a good beer to start with when building up the courage for the stronger beers.  $\approx 5.5\%$  ABV

### NOTE\*

The Brewer's Reserve series is not included in the Beer 101 Club. However, Beer 101 Club members will have first opportunity to purchase cases of Brewer's Reserve beer and receive the 15% discount.
